

The Women CEO's personal soldier king

Novel Chapter 1 To 5

Chapter 1

"Lu Tianlong, do you know that you have been working half a month and have been late for 13 times

In the office, Wang Ying severely reprimanded Lu Tianlong in front of her.

She was really angry. It was the first time that she met such an unreliable employee after being a human resource manager for such a long time.

Even if you are late for work, you have worked for 14 days, 13 times late, 5 times at 9:00 a.m., and 6 times at 2:00 p.m.

This time it's even more ridiculous. You leave work at six o'clock and you don't come until five sixty?

"Do you know that employees like you can't be fired a hundred times?"

Wang Ying is very angry. Lu Tianlong is the driver of the Phoenix Group motorcade. Like the other five or six drivers in the team, she is usually responsible for the transportation of some guests and goods.

Today, she personally led a team to conduct a surprise inspection of work discipline, only to find out the bad guy!

If the company was not in a period of rapid development and the drivers were not enough, she would have fired this jerk today.

Lu Tianlong, who is wearing an ordinary white T-shirt and light colored jeans, is honest and upright opposite Wang Ying. He is also very aggrieved. He is not coming to work now. He just comes to get something. How can he be late? At most, he is absent from work.

However, he didn't take Wang Ying's criticism to heart at all. He didn't even hear what Wang Ying said later. Now his whole mind is on Wang Ying.

At the age of 25-6, Wang Ying's face is not particularly outstanding. She can be regarded as a kind of beautiful woman who is very attractive, but her figure is absolutely superb.

Especially today, she is wearing a tight black work dress and a white shirt.

"Keep your eyes up!" Lu Tianlong couldn't help exclaiming!

"What do you say?" Wang Ying is a Leng at first, then can't be forgiven for anger! "Lu Tianlong, what are you doing?"

"Nothing, just look around!" Lu Tianlong made no secret of it.

"What are you looking at? Don't look

"Don't let it waste too much!" Lu Tianlong muttered.

"You, you son of a bitch!" Wang Ying's face flushed with gas.

She is recognized by the company as the iron faced lady of hell. The employees dare not breathe when they see her. Now this bastard dare to openly comment on her figure!

"Lu Tianlong, you're fired!"

"Expulsion? no Did I just look at you and get fired? Is there any reason? " Lu Tianlong feels that he is more unjust than Dou E.

Her eyes can always be fixed on Wang Ying. If she is expelled, she will have less chance to look at her later. One more look is one eye.

"Get out of here!" Wang Ying is going mad.

"Go out! It's almost the same. " Lu Tianlong whistled at Wang Ying and turned with a smile.

Wang Ying's phone rang suddenly.

"Hello, president. I'm Wang Ying. What, do you want a car? Now? Good

"Lu Tianlong, come back to me!" Hang up the phone Wang Ying looked at the eye has gone to the door of Lu Tianlong, hesitated for a while.

"Let me go out, and I'll come back when I come back? A high position can bully people! " Lu Tianlong looks back.

Wang Ying really wants to rush up and kill this asshole.

"The president's driver asked for a temporary leave. The president wants to use the car now. The other drivers are out of work. Go!"

"No! I've been fired! " Lu Tianlong shook his head directly.

Wang Ying took a deep breath and said, "I take back the expulsion order now!"

"Changing day and night is a big taboo for the company. Do you value the company by treating orders like a joke?" Lu Tianlong is very serious.

Wang Ying is so angry that she really wants to run into it and die with this bastard.

How about Ken

"Very simple!" Lu Tianlong's sight returned to Wang Ying's body and said with a smile: "tell me the truth, are you natural or artificial?"

"I'll kill you son of a bitch! Don't run, you stop for me For the first time in her life, Wang Ying made a rude remark.

In front of the office building of Phoenix Group, Su Lingyue has reached the edge of madness.

"Sister Ying, why hasn't the car arrived? I couldn't get through? Lu Tianlong? You give me his phone number and I'll find him myself! "

Su Lingyue anxiously dials the telephone, but always comes to you to dial the telephone to be unable to connect temporarily.

She went to see her clients in person today. This is a big list of tens of millions. If she can get it down, Phoenix Group will leap to a new height!

Wang Ying arranged for the driver has not been to, the phone can not get through, from her and the customer appointment time, only 15 minutes left!

Phoenix Group, a new trading enterprise in Haiyang City, has been established for two years with net profit of hundreds of millions. It has been rated as one of the most promising enterprises in Haiyang City for two consecutive years.

What's more, Su Lingyue, the president of the Phoenix Group, who created the myth of Phoenix Group, is a top-notch figure and face. She is a real goddess city flower in Haiyang City, nicknamed iceberg beauty, and has numerous pursuers. However, for any suitor, she is not affectionate, directly refused, but also never with anyone out of the scandal.

This also makes more people ready to move, hoping to conquer this proud Phoenix, wealth and sex.

At this time, there was a strong roar in the distance. In the exclamation of passers-by, more than 20 of the latest Ferrari sedans came roaring, and they

lined up in a neat line not far from Su Lingyue.

Dozens of staff quickly get off the bus, each holding a large number of roses, a moment in front of Su Lingyue put out a big heart-shaped pattern!

Heart with 9999 roses!

Among the crowd, a gentle and elegant man in a white suit walked out slowly and looked at Su Lingyue from a distance across the rose heart.

He made a smile that he thought was the most charming and knelt down slowly on one knee.

"Lingyue, meeting you is my life's luck; falling in love with you is my life's happiness; without you, it's my life's regret! Now I want to tell you loud: I love you! Ling Yue, promise me to be my girlfriend, OK

A grand advertising scene!

All the women could not help screaming at the same time. If there was a man who was willing to put up such a posture for them, he would definitely run to throw himself in his arms!

"My God, that's the only son of the chairman of Hailong group! Zheng Shaofeng, one of the four shaos in Haiyang

Someone recognized the man and immediately caused a cry.

Hailong group, one of the top groups in Haiyang City, with a total assets of over 100 billion, is a real giant.

Zheng Shaofeng is handsome, a little European, young and promising. Now he is the chairman of a listed company under Hailong group.

The screams and exclamations around him made Zheng Shaofeng's smile more confident. He did not believe that any woman could refuse such a romance, even Su Lingyue, who was known as the iceberg goddess, would

certainly not.

Su must be on the moon this time!

But just then, a Porsche Cayenne roared through the crowd and ran straight over the 99999 roses, leaving a few big wheel marks on it.

It's another chic to the extreme brake tail flick, directly stopped in front of Su Lingyue.

Lu Tianlong ran down from the car. He didn't even see Zheng Shaofeng kneeling and his dishonorable rose heart. He wiped his sweat and explained: "sorry, boss. I ate a meal and urinated. I'm late, right?"

Chapter 2

There was a gust of wind coming and going for the Porsche Cayenne. When everyone reacted, there were only scattered rose hearts crushed and Zheng Shaofeng kneeling on one knee.

"Ah Fu! Find out what the boy came from

Zheng Shaofeng, who is so easy to react to, stands up, looks at the bottom of the party and grits his teeth, and says coldly to his younger brother.

Su Lingyue, sitting in the back row, wants to laugh but can't smile. Her heart aches. The rose is crushed mercilessly.

Zheng Shaofeng pursued her for a long time and was rejected by her countless times. She did not expect that he would make such a big scene to confess to herself today.

When she was thinking about how to refuse, this guy came down from heaven and saved her in the fire.

Although a bit reckless, but still a more lovely guy.

Looking at Lu Tianlong driving while wiping sweat, Su Lingyue's corners of mouth unconsciously bend a radian.

She's going to forgive the guy for being late.

But then she found herself making a big mistake.

"Boss, what's so happy to laugh at? I'll be happy to say it." Lu Tianlong grinned at the rearview mirror, and his sight stayed on Su Lingyue's face for a second or two for several seconds. It's really a wonder.

"No, concentrate on driving!" Su Lingyue recovers her indifference and says lightly.

"Ha ha! I've seen a funny joke recently. I'll tell it to you!" Lu Tianlong was full of interest.

“.....”

"Do your duty! Within ten minutes, drive to Linglong parcel!" Su Lingyue cold way, if let others know she listen to a driver to tell this kind of joke, that is also good.

"Ten minutes? Are you sure? I have no problem with my strong body. I'm afraid you can't stand it!" Lu Tianlong scratched his head.

"What do you say?" Su Lingyue cold voice way, this driver is too disrespectful!

"Boss, don't get me wrong. What I said is to send you to Linglong parcel in ten minutes!" Lu Tianlong explained earnestly.

Color embryo!

Su Lingyue overturned all the good impressions of this guy before, forced down her anger and said: "ten minutes, if you can get there, your salary will be doubled. If you can't, you don't have to come back to work in the future."

She deliberately made trouble for Lu Tianlong as a lesson to him. From here to Linglong parcel, even if there is no traffic jam, it will take at least half an hour.

"Whoosh! Bang

As soon as the words fell, Lu Tianlong moved, and the car's accelerator went straight to the bottom. As a rocket, the unprepared Su Lingyue's head slammed into the back seat and bounced back, hitting a seven meat and eight vegetarian diet.

Then, with the speed limit, Kayan ran on the streets of Haiyang City, slamming the brakes, swinging the tail, overtaking, and even made a 180 degree drift at an intersection.

Su Lingyue is covered mouth from the car down, ran to the side of the garbage can began to vomit.

"Nine and a half minutes! Boss, is my technique OK? Don't forget to give me a raise

Lu Tianlong ran down from the car and ran to Su Lingyue in front of him. He bent down to flatter him.

This angle was planned by him before. Look at the past from this angle, tut.

It's absolutely a monster! Goddess face, devil class body, worthy of Haiyang

City flower!

If such a woman does not bubble, will be punished by God! Lu Tianlong cried in his heart.

"Good! Very good! " Su Lingyue didn't notice Lu Tianlong's hot eyes. She was easy to vomit and felt a little bit better. She saw that it was the time agreed with the client. She didn't plan to argue with Lu Tianlong any more. She must fire this guy directly tomorrow!

Must be fired!

Thinking in her heart, she walked to the gate of Linglong parcel.

"Wait a minute, boss!"

Lu Tianlong chased up again, "your hair is messy, your clothes are dirty, and your mask is also crooked! Hey, boss, do you want me to help you sort it out! Don't walk so fast, wait for me

Linglong Zongdi Tian large box, decorated as if a palace.

"Zhang Chu? How can it be you

Push the door in, Su Lingyue recognized the man sitting on the big sofa at a glance.

In her twenties, she was thin and handsome, and her eyes were full of madness.

Like Zheng Shaofeng, Zhang Chu, one of the four shaos in Haiyang, has the same family background as Zheng Shaofeng, and is the eldest son of the

president of another giant Tengfei group in Haiyang.

She is also one of Su Lingyue's pursuers.

The only difference is that Su Lingyue has a worse impression on Zhang Chu than Zheng Shaofeng, who just put out a rose advertisement. This is a typical playboy. It is said that his hobby is playing with women, especially students' girls, who smash money into bed and throw it away after playing. Last year, a female student was thrown pregnant and committed suicide by jumping off a building.

"Ling Yue, you are here! Sit down Take a look at Su Lingyue, Zhang Chu spit hard, smile way.

"What about Mr. Wang of Changhong Group?" Su Lingyue frowned and asked. This time, she made an appointment with Mr. Wang of Changhong Group to discuss the export agency project of 10 billion yuan."Ha ha, Mr. Wang has something to do temporarily, but he has already told me that I am fully responsible for this business!" Zhang Chu said with a smile.

"I'm not going to do this business!" Su Lingyue turned around and left.

"Ling Yue, feelings belong to feelings, business belongs to business. Don't give up because of emotion, you can be responsible for thousands of employees of Phoenix Group! Well, come and sit down first. Today we only talk about business, not about feelings. " Zhang Chu, sitting on the sofa, said with a smile.

"Zhang Chu, if you dare to play tricks, don't blame me for falling out with you!" Su Lingyue hesitated for a moment, cold voice, and finally sat on the sofa.

She does need this order now, for Phoenix Group and for herself.

"No, no! Come on, let's have a toast before we talk about business. I wish our cooperation success! By the way, it's easy for me to get it from the Chateau moudang in France. This bottle costs US \$100000

Zhang Chu opened a bottle of red wine in front of him with a smile.

"Bang!"

The gate was opened and Lu Tianlong, who was full of sweat, burst in.

"Ah, this is like a maze. After five rounds, I finally find the boss! I'm so tired. I'll have some drink to moisten my mouth first! Ha, red wine? How delicious! My favorite! Would you mind a drink? "

Seeing the wine bottle in front of Zhang Chu, Lu Tianlong breathed intoxicated. He rushed to the bottle with a whoosh, grabbed it and poured it into his mouth.

Zhang Chu and Su Lingyue are stunned.

After the follow-up of two Zhang Chu bodyguards, unable to understand the identity of Lu Tianlong, did not dare to act rashly.

By the time they react, a bottle of wine has already entered Lu Tianlong's stomach.

Chapter 3

"Tut Tut, the taste is OK, boss, do you have another bottle?" A bottle of red wine into the stomach, Lu Tianlong is still in the air.

"Where the hell did you come from?"

Zhang Chu is going crazy. Before he has a taste of the \$100000 red wine, he is all poured into his stomach like water by this guy? I want another bottle! You think this is the Great Wall dry red!

"Keep your mouth clean. This is my driver. It's just a bottle of wine. I'll pay you for it!" Su Lingyue said coldly.

Although Lu Tianlong made her cry and laugh, she was relieved. She didn't want to stay alone with Zhang Chu, let alone drink with him. Now that Lu Tianlong is here, she has some confidence in her heart.

"Well, I'm going to talk business with Zhang Shao. You can go and eat something." Su Lingyue ordered.

"Business? Then you talk, you talk, I don't disturb you, I will sing two songs to cheer you up! " Seeing the microphone beside him, Lu Tianlong ran over happily.

"You go out first! Ling Yue, where did you get such a top driver? " Zhang Chu suppressed his anger and waved away two bodyguards who did not do their duty.

If he had not wanted to behave better in front of Su Lingyue, he would have been furious. Now he can only force Lu Tianlong to pick up soap a hundred times in his heart.

After settling Su Lingyue, we must deal with him.

"Don't talk about him. Let's talk about the agency business of Changhong Group first." Having a look at Lu Tianlong who is playing with the microphone, Su Lingyue says coldly.

Zhang Chu waved his hand, "how can I do that? How can I have a drink first! We have to have a good atmosphere first, so that we can have a better business

Said, he reopened another bottle of red wine, poured two cups, and handed Su Lingyue a cup of his own.

"I can't drink." Su Lingyue refused.

"You can have a drink at will. I'll do it first!" Zhang Chu said with a smile.

Su Lingyue helpless, can only pick up the cup with him, bang, small mouth bang.

"Oh, sister, you are bold to go forward. Go ahead, don't turn back!"

In the elegant and quiet box, Lu Tianlong roared out in a cold voice, which made Zhang Chu shiver. A glass of red wine poured directly into his neck.

Su Lingyue more direct, just into the mouth of red wine directly spray Zhang Chuyi face.

"What are you going to do?"

Zhang Chu is going crazy, Su Lingyue brought this boy is definitely not a driver, Ya's on a neuropathy!

"It seems a little out of tune, or I'll sing it again for you!" Lu Tianlong scratched his head and apologized.

"Stop singing!" Su Lingyue wants to laugh. Her face is red. Now she thinks Lu Tianlong is cute.

Turning to Zhang Chu, he said, "I'm sorry, Zhang Shao. I don't think today's situation is suitable for further discussion. Let's make an appointment to talk about it again."

Zhang Chu does not want to also have no way, all good mood is by this extreme spirit neuropathy to do not have.

"Well, let's meet another day! By the way, can you let him stay a little bit? I think he's very interesting. I want to say a few words to him

He pointed to Lu Tianlong.

Su Lingyue instinctively wants to shake his head, but Lu Tianlong over there grins and says: "Zhang Shao wants to talk to me? no problem! I also feel as if I had met Zhang Shao at first sight! Boss, you go out and wait for me. I'll be there soon

"You Well, I'll wait for you outside. Come out quickly Su turned around and said to Lingyue that she would not leave.

"Tut! What a feast for the eyes

Watching Su Lingyue twist out, Lu Tianlong tut praise way.

Zhang Chu went crazy.

This bastard really thinks he's here to talk to him? Didn't he feel his anger?

"You're a goddamn driver! You drink 100000 dollars of red wine? Do you want to touch Su Lingyue Zhang Chu clenched his fist and roared!

"What's wrong with the driver? A cook who doesn't want to be a general is

not a good driver! " Lu Tianlong glanced back at him and said with a smile: "besides, you can drink red wine to soak your sister. Why can't I be a driver?"

"You call me a scum?" Zhang Chu's eyes widened.

"No matter how big your eyes are, you can count them as big eyes." Lu Tianlong narrowed his eyes and said faintly.

"You want to die Zhang Chu was very angry and laughed. He clapped his hands twice. The two bodyguards who had been waiting at the door quickly entered the box.

"Hit me, kill this bastard! I am responsible for all the consequences! "

Zhang Chu finally broke out and spread his anger on Lu Tianlong.

Two bodyguards in black, tall and big, rushed directly to Lu Tianlong without hesitation.

Lu Tianlong smiles and turns to take a look at them.

On this one eye, two bodyguards were stiff and shivered for no reason.

Smile is very evil, evil let them two hit the bottom of the heart out of a cool breath. This is not the look a driver should have!

"What are you doing? Give it to me!" Zhang Chu yelled angrily in the back.

As soon as the two bodyguards clenched their teeth, they still rushed up one left and one right. The one on the left started first and hit Lu Tianlong's head with a hook. The one on the right kicked out a foot and swept his waist.

At first glance, they are professionally trained. Their speed and strength can be called perfect, and their coordination is even more seamless.

The smile on Lu Tianlong's face is spreading. He even took the time to tidy up his hair and then started to do it.

After the fist first, hit under the armpit of the boxing bodyguard, kick the right leg closely, almost at the same time kick in the calf of the out foot bodyguard.

"Come on, come on!"

Two clear fracture sounds were particularly harsh in the box. The two bodyguards screamed at the same time and went back out. Lu Tianlong bullied himself like a ghost. He slapped two standard hand knives on their necks. They didn't even scream. The two bodyguards fell down soft and soft.

"Ah?"

These two bodyguards were hired by professional bodyguards with a large sum of money. It is said that both of them have stayed in Siberian training camp, and they are all masters of one against ten!

How is a flower in front of the eyes, two people all lie down?

"Zhang Shao, you are also a man of high reputation. Don't you feel ashamed to invite these two useless bodyguards? Do you think this is good? You can control the food. I'll be your bodyguard. How about that? "

Lu Tianlong's cold light dissipated in his eyes and regained his casual

appearance. He walked up to Zhang Chu with a smile.

"Ah, good, good!" Zhang Chu is not yet fully awake from the shock, instinctively nodding.

Lu Tianlong slapped him on the head and said with a smile: "good, your mother is a head. She wants to win me over and treat me as someone! I have a principle! However, I can think about it if I take care of my food, my life and my sister! "

"You dare to play with me! Do you know who I am? " Zhang Chu finally reacts. Lu Tianlong is playing with him!

"I don't care who you are. It's you who play! Not satisfied? Believe it or not, I will beat you in the face with this fist. "

Lu Tianlong waved his fist.

Lu Tianlong narrowed his eyes and suddenly hit the marble tea table next to him.

"If you want to get into trouble, I'll be with you at any time. However, if you use this kind of abusive method of putting medicine in red wine next time, don't blame brother long for being rude! And don't take the driver as dry food! "

The coffee table made of hard marble collapsed without warning.

Chapter 4

At the gate of the club, Lu Tianlong sees Su Lingyue, who is going to go in. He meets him with a smile.

"Boss, are you worried about my safety?"

"Love yourself! I just left something in it Su Lingyue glared at him and turned to the car, "what's Zhang Chu looking for you?"

"Oh, it's nothing. He said that I've reached the stage of perfection in singing. He wanted to learn from me as a teacher, but I refused to do so!"

"....." Su Lingyue is speechless. She has never seen such a cheeky guy.

Just now in the box, Su Lingyue accidentally spilled a drop of red wine on her face, but she didn't notice.

"You, you bastard! I will kill you

Su Lingyue's little face flushed, full of face, like a little lion in a rage.

She is angry and shy. She has never been so intimate with her since she was little. Today, she was licked by Lu Tianlong, who met for the first time!

Without saying a word, she rushed to Lu Tianlong with her fist.

"Can the public pay attention to the image! I don't have a daughter-in-law yet. What's the proper way to do it. Still playing? If you hit me again, the driver has dignity Lu Tianlong dodged away and was serious.

"You You bastard Su Lingyue ate a dumb blunder, look around really a lot of people are looking at their side, angry a stomp, directly on the car.

"Boss, you don't have to be angry. I'm also out of good intentions. Waste is shameful. You don't want to be a shameful person, do you? Besides, you don't suffer any loss. If you think I'm trying to take advantage of you, I'll let you lick it back, OK? I promise not to fight. "

On the bus, Lu Tianlong persuades Su Lingyue, who has a tight face.

"Shut up!" Su Lingyue doesn't want to talk to this man any more.

"Shall I tell you another joke?" Lu Tianlong tried.

"I told you to shut up! Drive Su Lingyue is on the verge of collapse.

"What a mystery! Well, where shall we go Lu Tianlong did not continue to stimulate her and started the vehicle to move forward.

At this time Su Lingyue's phone rings.

She looked at the number and hung up without hesitation.

The phone rings again, hangs up again, rings again.

Finally, Su Lingyue gave in and put the phone in his ear.

Inside is a magnetic baritone, "Xiaoyue, I'm dad, how are you doing?"

"I had a good time! If it's just that question, I'll hang up. " Su Lingyue said coldly.

"Well, I just want to remind you that there is not much time left for our two-year appointment..."

Bang!

Waiting for that to finish, Su Lingyue directly hung up the phone.

About two years! Damn two years! Looking out of the window, Su Lingyue's eyes flashed a little confused. She wanted to drink and vent her anger!

Su Lingyue seems to rarely come to this kind of place, and is overwhelmed by the fiery atmosphere inside.

"Boss, come with me. I'm familiar with this place!"

Lu Tianlong greedily glanced at the crazy girls on the dance floor. He got on the second floor and found a relatively hidden cubicle to get in.

Sitting in this position can almost overlook the whole dance floor, from this angle to see the girls.

"Bring some bottles of your most valuable wine

Lu Tianlong called the manager of the lobby, and called out in a bold voice.

"The most expensive wine? Sir, we have eighty-eight thousand Lafayette and seventy-six thousand grant. Is that all right?"

The fat manager reported with a smile on his face, but he didn't mean to take it. He looked at Lu Tianlong quietly, and his eyes were puzzled.

What's this guy like, rich second generation? No, T-shirts and jeans are cheap at first sight.

"What are you looking at! I'm a driver, even if I have money, I won't buy you such a pit father's wine! But our boss doesn't care. If I ask you to take it, you can take it. " Lu Tianlong glared.

Su Lingyue grits her teeth and bears it. Who has seen such a pit boss's driver!

"Boss? Oh! All right, now Take a look at the opposite Su Lingyue, fat manager eyes suddenly a bright.

Just the Patek Philippe on the wrist, there is not a hundred thousand can not come down.

"Do you often come to such places?" Su Lingyue hugs the shoulder and looks at Lu Tianlong, who is looking for her sister, coldly.

"It's OK. I'll come here to see my sister if I'm ok." Lu Tianlong said with a smile.

"Color embryo!" Su Lingyue fiercely gouged out a look at him, but also to just this guy licks her matter son to be resentful.

"Ha! Color is emptiness, emptiness is color! Boss, it seems that you have something on your mind. Don't think about it so much. It's rare for a beautiful man to accompany you and have a drink! I can drink it for you. You pay for it anyway. "

The wine to be served on the table, Lu Tianlong poured a cup for the two people respectively, and looked up to see the bottom directly.

Su Lingyue hesitated for a moment, and finally bit her teeth. She also learned to land Tianlong. She raised her head and poured all of them into her mouth.

She couldn't drink enough, and her little face flushed to the base of her neck.

"Another drink! If you can't, you can say that there is me Lu Tianlong is another cup to the bottom.

Su Lingyue is ruthless and ruthless, and he also pours into it.

After two drinks, she began to feel dizzy.

"Men can't say no, women can't say casually. I'll dry this one. Whatever you want. " Lu Tianlong lifted his neck and drank it again.

This asshole.

Su Lingyue gritted her teeth and poured the wine into her mouth.

After several cups of wine, she was already confused. Looking at the figures around, she sighed and said, "wine is really a good thing! It can make people forget their troubles, but what about waking up? "

Hearing this, Lu Tianlong's sadness flashed in his eyes, and another glass of wine went into his belly. He said faintly: "life is full of States, things are changeable. Just look at it."

His appearance at this time, which has a little bit of the previous dangdangdang, that flash in the eyes of pain and vicissitudes, let Su Lingyue heart suddenly move.

This man, it seems, is a little different from others.

"Why, you lousy fellow, you've got something sad about it?" Su Lingyue said.

"I can't look back on the past. I don't want to mention those broken things! Today we are drunk Lu Tianlong recovers smiling face and touches Su Lingyue again.

"Yes! I'll indulge with you today. I won't go back if I'm drunk! What kind of troubles? Go to hell! But tomorrow, you'll get out of here. I don't want to see you again

After a few cups, Su Lingyue, who was unable to drink, fully let go. He rolled up his sleeves and waved his pink and tender fists.

"Yes! As long as you are willing to do so, I will roll as far as I can Lu Tianlong laughed.

Next, two people repeatedly clinked glasses, Lu Tianlong did not have a thing, Su Lingyue has begun to stagger.

"Would you like something more exciting?" Lu Tianlong suddenly comes up, mysterious.

"Why, you want to sleep with me, too?" Feeling the unique man's breath, Su Lingyue said with a sneer.

"If you want to get into bed, don't be so dirty in your mind. Of course, if you ask me strongly, I can consider it." Lu Tianlong laughs, suddenly stands up, pulls Su Lingyue out.

Chapter 5

Just when I was going downstairs, Lu Tianlong picked up Su Lingyue's coat.

Now she was wearing a tight white shirt, with her sleeves pulled up and two buttons on it, revealing her white arms and crimson white under her neck.

The phone rings in Lu Tianlong's pocket. He takes out a look at the number. The smile on his face disappears, and a sharp light flashes in his eyes.

It's a demon.

"Boss, let's go!"

Lu Tianlong helped Su Lingyue to jump down from the platform.

"No, I want to drink! Don't come back if you are not drunk today! Who goes, who is the tortoise

Su Lingyue makes her push Lu Tianlong away, struggling and staggering towards the second floor.

Lu Tianlong had no choice but to send her to the box on the second floor.

The phone is still ringing. It seems that if Lu Tianlong doesn't answer, he will keep calling.

Lu Tianlong thought about it and said, "then you sit here and wait for me. I'll go out and answer the phone and I'll be back soon."

"Go, come back and drink again!" Su Lingyue's drunken eyes are hazy, murmured vaguely.

Lu Tianlong nodded, then quickly stepped down the second floor, walked out of the bar and connected the phone.

"Boss, I miss you so much! Let me kiss my brother well As soon as the

phone was connected, there was a strange male voice.

"Go away! It's all right. I'll hang up! " Lu Tianlong scolded coldly, but a warm smile flashed in his eyes, a long lost voice.

"Don't hang up, don't hang up! I'm serious. Sister Qing asked for a few days off. It seems that she has come back to find you! "

"What? Is Qing'er back? " Lu Tianlong's eyes narrowed.

But immediately, his expression calms down, light way: "I know."

"Boss, is it really impossible for you and sister Qing? Maybe it's not what you think. There may be some misunderstanding in it. "

"Don't mention it again!" Lu Tianlong raised his eyebrows and said, "how are you doing now?"

"What else, hunting all over the world. Just came to Africa where birds don't shit! I'm glad you didn't come. You don't know. The girls here are so dark that they turn off the lights and go to bed at night. They can't see people at all. If you sleep with them, you will be just like yourself! If you don't believe it, I'll pack it and mail it back to you! "

"Mail your sister, pay attention to your own safety, I'll hang up if it's OK." Lu Yang said with a smile.

"Oh." The other end of the phone was silent for a long time, and finally there was a voice, "boss, Zhan Long's brothers and sisters, all miss you very much."

After hanging up the phone, Lu Tianlong stood silent for a few minutes.

Battle dragon! There is no one of the top special organizations in China.

Even in the whole world, as long as it is in this circle, as long as the war dragon is mentioned, everyone is scared.

They are not many members, no more than ten, but each one is a master of heaven, and the combination is even more daunting.

As long as you are on the blacklist of Zhanlong, there is only one end, that is, death!

Lu Tianlong, the captain of the battle dragon, is the worthy dragon head, and is nicknamed the God of death.

In the past ten years, he led Zhan long to participate in ten battles of large and small numbers, without any failure, which shocked ancient and modern times.

The scenes of fighting side by side with brothers in the past are still fresh in my mind, and the familiar faces come to mind.

Lu Tianlong can't help but shake his fist, then let out a long breath, and his expression relaxed.

Now, it has nothing to do with him.

Now, he just wants to be a happy little driver, eat and wear warm bubble girl.

In a secluded compartment on the second floor.

Zhang Chu looked at Su Lingyue and Lu Tianlong on the platform, and was

furious.

"Don't be impatient, young master. I've sent someone to investigate Lu Tianlong. When the investigation is clear, arrangements will be made, and I will certainly give you such a bad breath." Next to Zhang Chu, a thin old man stood with his hands down, gloomy.

"Good! This boy can fight. We have to find more people! And Su Lingyue, a bitch, pretends to be serious in front of me. It turns out to be a rotten product Zhang Chu gnawed his teeth.

"Young master, the man seems to have gone, and only Su Lingyue drinks there by himself!" Next to a little brother suddenly said.

Zhang Chu looked at it and saw Lu Tianlong out of the bar. A trace of malice flashed in his eyes.

"Damn it, isn't this girl fond of playing? I'm going to let her have a good time today! Let her do it in front of so many people in the bar! Call that fat man over here! With a grim smile, he took out a paper bag from his pocket and poured the white powder into a bottle of red wine just opened in front of him.

Soon, the manager of the fat bar hall stooped down to Zhang Chu with a face of flattery.

"Zhang Shao, what can I do for you?"

"That girl danced well just now. If you send this bottle of wine to her, it's from the bar."

The fat manager nodded his head and said, "Zhang Shao is really generous. He can send tens of thousands of wine as soon as he says it. Moreover, he

does good deeds without leaving a name. He is a contemporary living Lei Feng."

"Lei Feng, you're paralyzed. As I said, this bottle of wine was given by your bar. Don't you understand?" Zhang Chu sneered.

The fat manager felt something was wrong, but he knew the details of Zhang Chu. How dare he ask more questions? He nodded vigorously and said, "I understand. This bottle of wine is from the bar. It has nothing to do with Zhang Shao!"

After hanging up the phone, Lu Tianlong returns to the bar.

"Drink, drink, who doesn't drink is a dog!"

Su Lingyue's cheeks are flushed, and she is shaking her cup at Lu Tianlong.

Seeing that there was something wrong with her look, Lu Tianlong picked up the bottle in front of her, put it under his nose and sniffed it. A trace of anger flashed on his face.

"Where did this bottle of wine come from?"

"Oh, you say this bottle? Just now the fat man took it and said it was from the bar." Su Lingyue said vaguely.

Fat manager?

Lu Tianlong stands up and takes a quick look at the bar. He doesn't see the fat man, but he accidentally sees a familiar figure in the box opposite the hall.

It was Zhang Chu, who was looking at Lu Tianlong with a sneer on his face.

He even raised a glass of wine to Lu Tianlong.

"It must be this bastard who, taking advantage of his own leaving this moment, used this kind of abusive means to put medicine into the wine again!" Lu Tianlong's heart surges with murder.

"Hot, hot!"

Lying on the table, Su Lingyue suddenly stood up and murmured vaguely, while reaching out to pull the clothes on her body.

Her face was so scarlet that even her bare skin turned red.

Lu Tianlong's face was cold. If he was right, Zhang Chu gave Su Ling a drug called red spider under the moon. The drug was so strong that people who ate it would fall into complete madness until the drug disappeared.

Lu Tianlong calculated quickly in his mind.

It's no use looking for Zhang Chu now. He didn't bring the wine. This guy certainly doesn't admit it. If he delays a little, Su Lingyue will make a fool of himself in this bar. Now, it's urgent to take Su Lingyue out of here.

Thinking of this, Lu Tianlong made a decision and directly carried Su Lingyue and walked outside the bar.

"Hot, I'm hot, put me down, I want to drink!"

Su Lingyue has no consciousness, just struggling with the screen.

"Tell me where you live and I'll take you home first."

Lu Tianlong slapped Su Lingyue's body hard, this girl just a little sober up a little, said the address intermittently, and immediately returned to madness.

"I can't help but send her back first to see if I can help her push out the drugs in her body."

Lu Tianlong grits his teeth and carries Su Lingyue, who is constantly twisting his body, and rushes directly to the roadside cayenne.

However, he did not notice that, in the dark corner not far away, a pair of gloomy and beautiful eyes were always staring at them.
